Why God?
Why did you take my father?!!

Based on the information gathered by JANE, the police investigated the case, and traced the calls to locate the bandits' house.

After 3 months,
JANE can now sleep better.

But why I
dream that
my brother
KEVIN is
sick?

27

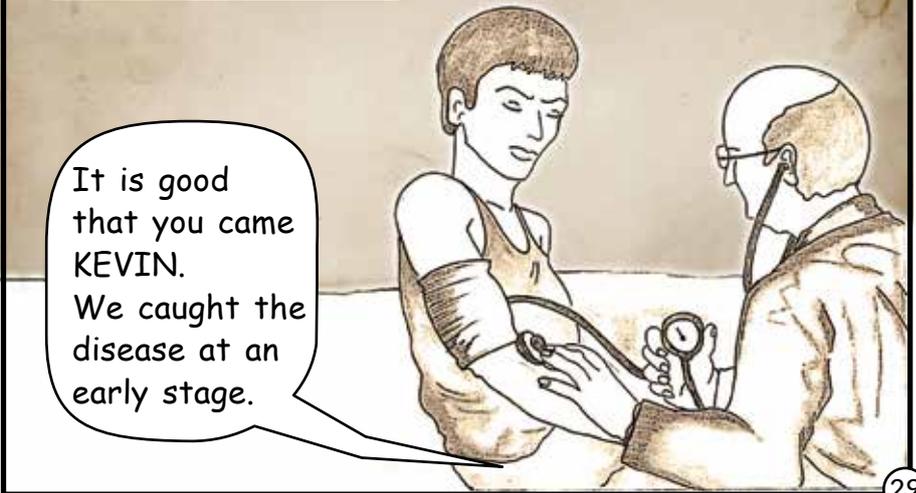

KEVIN, yesterday,
I dreamt that you
are sick. Please go
check yourself.

28

At the Doctor's clinic.

It is good
that you came
KEVIN.
We caught the
disease at an
early stage.

29

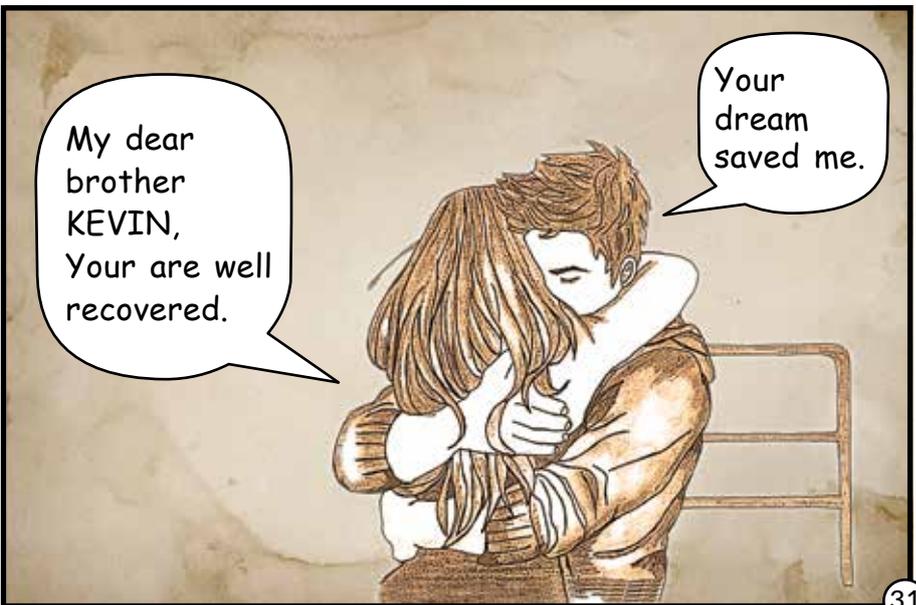

One month later,
KEVIN was fully
cured.

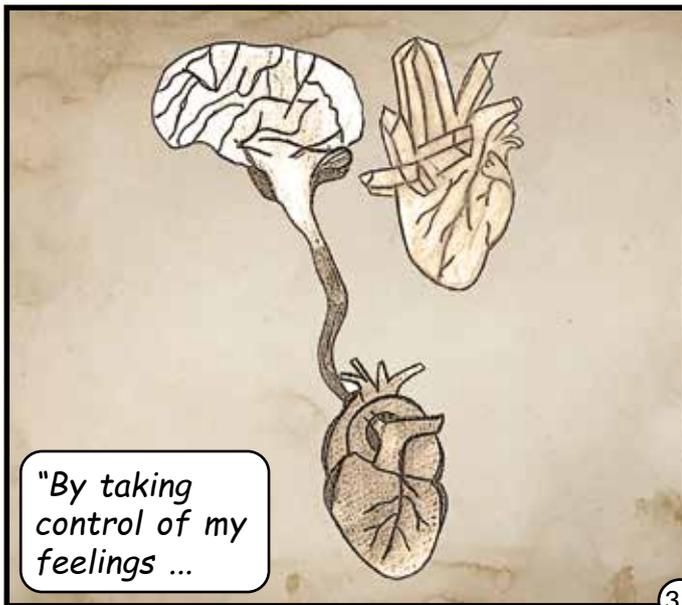

30

My dear
brother
KEVIN,
You are well
recovered.

Your
dream
saved me.
